

## TRAID Volunteer role description

### Organisational information:

TRAID (Textile Recycling for Aid and International Development) is a charity committed to protecting the environment and reducing world poverty through recycling and delivering educational programmes and campaigning within the UK. These activities are supported by TRAIID's operational departments; Communications, Retail, Recycling/Environment, Education, Finance and Volunteer Services. These departments work together to help achieve TRAIID's charitable objectives including the funding of sustainable development projects in some of the poorest regions of the world.

**Role title:** Volunteer Merchandiser

**Department:** Retail

**Purpose of role:** To support the work of our shop teams to maximise the income of the shop by ensuring the shop floor and displays are attractive and merchandised according to TRAIID standards.

### Main activities/tasks:

- Setting up window displays
